ABOUT US

CANEFRUIT CONSULTING offers services in marketing communications, graphic design, publications, public relations, business development and writing.

Every organization is unique. Every business has a specific goal. We understand the importance of standing out in an ever-changing world and believe that your ideas deserve to be presented with a fresh perspective.

We work with small to medium sized businesses and organizations that are ready to grow a statewide or national audience. We provide business development services that enable clients to reach their goals, including Content Development, Email Marketing, Media Planning & Buying, Search Engine Marketing, Social Media Marketing and Website Development.
